

Bomb Iraq

When you fail to find Osama, bomb Iraq
When the market's in a trauma, bomb Iraq
When the "tersts" are gettin' frisky
North Korea's lookin' risky
When you fail to find Osama, bomb Iraq

When you think somebody's dissed you, bomb Iraq
When you got no allies with you, bomb Iraq
Aw, forget the damn inspection
Look ahead to next election
When you think somebody's dissed you, bomb Iraq

Wanna make a big impression? Bomb Iraq
It's pre-emptive, it's aggression, bomb Iraq
They got weapons we can't see
And that's all the proof we need
Wanna make a big impression? Bomb Iraq

When you feel a bit dejected, bomb Iraq
What the heck, you weren't elected, bomb Iraq
We all know Saddam's gone mad
Cuz he tried to kill your dad
When you feel a bit dejected, bomb Iraq

When your cronies' greed is growin', bomb Iraq
And your ties to them are showin', bomb Iraq
When your cabinet's so sleazy
That they're making folks uneasy
When your cronies' greed is growin', bomb Iraq

Even though we have no reason, bomb Iraq
Disagree? It must be treason, bomb Iraq
Fall in line and follow orders
And to hell with sovereign borders
Even though we have no reason, bomb Iraq
We don't need no reason, bomb Iraq
We're America, for Chrissake, bomb Iraq

When you want to be a hero, but your IQ's seven-zero
Don't even try to reason, bomb Iraq
