

## **I'm the Top Polka**

You are the one I can be myself with  
You are the one I can share a shelf with  
You are the one I can I can be with you with you

When I'm with you it's like a movie and the pictures never stop  
You've got me winnin', grinnin', always spinnin'  
You pull the string, I'm the top

You are the one I can get woke up with  
You are the one I can sip a cup with  
You are the one I can be with you with  
You are the one I can brush my teeth with  
You are the one I can fold the sheets with  
You are the one I can be with you with  
You are the one I can shave my face for  
You are the one I will save a place for  
You are the one I can be with you with you

You are the one I can read the news to  
You are the one I can sing the blues to  
You are the one I can be with you with  
You are the one I can take a walk with  
You are the one I can always talk with  
You are the one I can be with you with  
You are the one I can run around with  
You are the one I can play the clown with  
You are the one I can be with you with you

You are the one I can sweep the rug with  
You are the one I can kiss and hug with  
You are the one I can be with you with  
You are the one I can sit around with  
You are the one I can make no sound with  
You are the one I can be with you with  
You are the one I can watch TV with  
You are the one I can disagree with  
You are the one I can be with you with you

You are the one I can read a book at  
You are the one I can take a look at  
You are the one I can be with you with  
You are the one I can make the bed with  
You are the one I can rest my head with  
You are the one I can be with you with  
You are the one I can dream my dreams with  
You are the one I can be a team with  
You are the one I can be with you with you
