

The Last Dance

She's made her mind up, mind up on me
Right now it's just a matter of time
You can dance with her but keep this in mind
The last dance, the last dance
The last dance, the last dance, the last dance
The last dance is mine

She makes it easy, easy on me
Hey, Ma, I'm glad I took your advice
They it looks, things'll work out real nice
The last dance, the last dance
The last dance, the last dance, the last dance
The last dance is mine

She's been out around with all the guys
And she's embarrassed me so many times
But that's because she's a woman, not just a valentine
And you ask me if I want her for my wife

She's made her mind up, mind up on me
Right now it's just a matter of time
You can dance with her but keep this in mind
The last dance, the last dance
The last dance, the last dance, the last dance
The last dance is mine
